I am a software engineer who's passionate about bringing simple solutions to complex problems. My past experience as an immigration paralegal has groomed me to be an independent critical thinker, a team player, and an effective communicator. I have a drive for innovation, self-improvement, and success. I specialize in developing technology with React and Ruby on rails and I am always humble and eager to learn both within and outside the technology field.

### TECHNICAL SKILLS

Javascript, MongoDB, Mongoose, Express.JS, React, Node.js, Git/Github, Enzyme, Bootstrap, MaterialUI, Sass, SQL, PostgreSQL, Ruby, Ruby on Rails
