I am a software engineer who's passionate about bringing simple solutions to complex problems. My past experience as an immigration paralegal has groomed me to be an independent critical thinker, a team player, and an effective communicator. I have a drive for innovation, self-improvement, and success. I specialize in developing technology with React and Ruby on rails and I am always humble and eager to learn both within and outside the technology field.

TECHNICAL SKILLS

Javascript, MongoDB, Mongoose, Express.JS, React, Node.js, Git/Github, Enzyme, Bootstrap, MaterialUI, Sass, SQL, PostgreSQL, Ruby, Ruby on Rails

PROJECTS

July 2020 — **Fansbook** *https://github.com/katefang/Fansbook*

- Replicated Facebook with React, Ruby on Rails, and Sass with user authorization and authentication functionalities and PostgreSQL as the database management system

June 2020 — **Yummy Dish** *https://github.com/pcho90/yummy-dish*

- Collaborated with fellow software engineers and a team of UX designers to recreate their visions of a perfect recipe app with React, MongoDB, Mongoose, Express.JS, Node.JS, and Sass

- Implemented user authorization and authentication to allow logged in users to save recipes and modify recipes

May 2020 — **Mei** *https://github.com/katefang/mei*

- Developed a fully responsive Ecommerce makeup search site with React, firebase, Flexbox, Grid, material-UI and "makeup API" where users can search for makeup products by names, categories, or concerns

- Implemented user authentication with Express, Node.JS, and Mongoose

April 2020 — **Drinksies** *https://github.com/katefang/drinksies*

- Developed a fully responsive beverage search app using vanilla Javascript, Flexbox, and Grid to allow users to search for places nearby with photos and ratings and an extended view with detailed business information

- Integrated Google Places API to allow for up-to-date global search

EXPERIENCE

NYIS Law Firm
April 2019
⇓
March 2020

Paralegal

- Prepared employment-based nonimmigrant and immigrant petitions such as H-1B, EB-2, EB-3, I-140, and F-1/F-2, H-4, B1/B2 change of status applications, and all family-based immigrant petitions

- Drafted and reviewed petition support letters, RFE and NOIR letters with high approval rates

- Communicated regularly with clients regarding procedural and case processing issues

Li & Wakida LLP
Feb 2018
⇓
Mar 2019

Paralegal

- Advocated and communicated extensively with clients regarding requests for information, case status, and immigration procedures

- Produced legal documents such as briefs, motions, and appeals under the supervision of attorneys

- Prepared motions to both the immigration court and trial attorneys based on different clients' needs

- Prepared family-based petitions and waiver applications such as I-601, I-601A, and I-212

EDUCATION
